EDUCATION

- Bachelor of Technology in Computer Science and Engineering (Cyber Security)

Vellore Institute of Technology, Bhopal Campus

2023-27

CGPA: 8.28

PERSONAL PROJECTS

AeroNav Web Application Development

A web-based aviation navigation platform, deployed using Netlify's serverless architecture.

- Enabled pilots to access real-time navigation data and interactive moving maps for enhanced flight planning.
- Implemented responsive and intuitive interfaces to ensure seamless usability across devices.
- Technology Used: JavaScript, React, Tailwind CSS.

Kideny Disease Detection Model

Developed a machine learning model to detect and classify kidney diseases, with a focus on precision and data-driven insights.

- Processed large datasets using advanced methods such as Scikit-learn and NumPy for feature extraction and visualization.
- Technology Used: Python, Numpy, scikit-learn, feature extraction.

EXPERIENCE

AST Consulting Internship

Cybersecurity Intern

May - June 2025

Online

- Developed expertise in securing cloud environments by configuring firewalls, encryption protocols, and access controls to protect sensitive data.
- Conducted security audits and penetration testing to identify and mitigate vulnerabilities in web applications and network systems.
- Implemented incident response strategies, including log analysis and threat hunting, to enhance organizational cybersecurity resilience.
- Utilized tools like Wireshark and Splunk for real-time network monitoring and anomaly detection to prevent potential cyber threats.
- Collaborated with teams to develop and enforce security policies, ensuring compliance with industry standards like ISO 27001.

TECHNICAL SKILLS and INTERESTS

Languages: C/C++, Python, Java, HTML+CSS

Libraries : C++ STL, Python Libraries

Web Dev Tools: VScode, Git, Github

Cloud/Databases: MongoDB, Relational Database (mySql)

Relevant Coursework: Data Structures & Algorithms, AI and ML, Operating Systems, Object Oriented Programming, Database Management System, Software Engineering.

Soft Skills: Problem Solving, Self-learning, Presentation, Adaptability

POSITIONS of RESPONSIBILITY

Co-Lead, E-Cell Club, VIT Bhopal

Oct 2024 – Present

- Spearheaded initiatives to promote entrepreneurship and innovation among students.
- Organized events and workshops, attracting over 300 participants to foster startup culture.
